

## ECC Project Manager Infrastructure

**ARCADIS is** a leading international company providing services across three fully integrated business lines: Infrastructure, Environment and Buildings. We work diligently to deliver successful solutions that meet client objectives and to realise our vision to inspire extraordinary environments.

With a wealth of experience in the UK market we have the expertise and local knowledge to deliver results quickly and effectively, while ARCADIS' global reach and 'one team' approach means projects can operate seamlessly across multiple geographies. Clients value the fact that they get the reliability and scalability of a global brand with the agility and understanding of a local player.

**In Infrastructure** we primarily work for clients in the transport, water and energy sectors enabling them to achieve their goals by providing cost, programme and project management consultancy.

**The main function and scope is** to contribute to the growth of the water sector by acting as the ECC project manager for flood alleviation and coastal management projects in our Water sector, undertaking contract administration in accordance with the conditions of the contract. Duties will include early warning of increased costs, delays, impairments and risk; acceptance of particulars of the design of equipment, proposed conditions of subcontractors and notifying of compensation events which arise from changes and manage the compensation process, through to the issue of termination certificates and to certify final payments.

**The Ideal candidate** has previous client facing experience and is able quickly understand and respond to client needs. He or she will respond positively to deadlines in an environment containing unexpected interruptions and problems and be able to communicate and influence positively in order to achieve results. He or she will be self-starting, persuasive and self-confident.

<b>Experience</b>	Demonstrated experience in a similar role, specifically using NEC contract, in a client facing role
<b>Employment basis</b>	Permanent/Full time
<b>Education and qualifications</b>	Degree level or equivalent and MRICS accredited
<b>Location</b>	South East
