

**Quantity Surveyors
Buildings**

ARCADIS is a leading international company providing services across three fully integrated business lines: Infrastructure, Environment and Buildings. We work diligently to deliver successful solutions that meet client objectives and to realise our vision to inspire extraordinary environments.

With a wealth of experience in the UK market we have the expertise and local knowledge to deliver results quickly and effectively, while ARCADIS' global reach and 'one team' approach means projects can operate seamlessly across multiple geographies. Clients value the fact that they get the reliability and scalability of a global brand with the agility and understanding of a local player.

In **Buildings** we primarily work for owners, managers, operators, developers and occupiers of real estate and we provide integrated project and cost management and other specialist services to ensure our clients achieve maximum value from their capital spend.

We are looking for UK-based quantity surveyors at all levels of experience, across some of the sectors we work in, including commercial development, corporate fit-out, data centres, hotels, pharmaceutical, and high-end residential. The main function of these roles will be to advise clients on cost planning, and cost advice throughout various stages of the projects, from tender to final account stage.

The ideal candidate will have a proven track record of working in a consultancy environment, on projects of various sizes and values, including, but not limited to, the aforementioned sectors. The ideal candidate will be looking for new challenges and will be able to demonstrate competencies such as organisational commitment; teamwork and co-operation; client focus; impact and influence; initiative; results orientation; accountability; flexibility; health and safety leadership.

Experience	Suitable candidates will have several years post qualification experience
Employment basis	Permanent/Full time
Education and qualifications	MRICS
Location	UK, specifically London
